the local information website

Do you want your business to be found on the internet?

from
£2.50
per week

Bradford Directory can help...

part of the **Local-National** com network of websites

Bradford Directory is a web site about our town and surrounding area. The site holds information about local events, local attractions, where to eat, what to do and has an extensive searchable business directory.

All of this adds up to a fantastic resource for our local residents and visitors to the area.

Bradford Directory can put your business in front of 1000's of visitors each week as well as being found directly through search engines like Google, MSN and Yahoo.

Whether your company has a web site or not, **Bradford Directory** has a package to suit your needs and budget. From an enhanced listing through to your own profile pages and a full online profile.

Free Services Free Business Listings

Consists of business name, address and telephone number entered in one business category free of charge.

Local Events

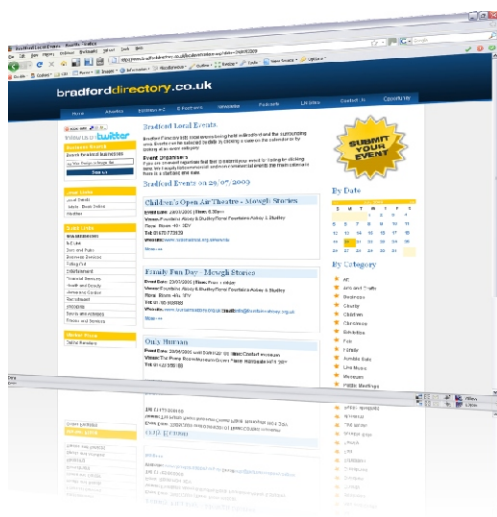

Bradford Directory has an excellent facility for listing your events. The events listing service is FREE to all events.

E-Postcards

Send a postcard to a friend or relative using our postcard facility.

Local Weather

A local web site wouldn't be complete with out a local weather forecast.

The Packages

The Silver Package

Ideal for the business that wants to make a start with their internet presence or has a very straight forward product or service. The silver package displays a small logo, business name, address, telephone number, web link and 25 word description. This is entered in up to 6 business categories.

The Gold Package

Aimed at businesses that want to display more information by having all the features of the silver package along with a full profile page just for their company where they can shout about their products and services as well as display all contact details, web and email links, logo and up to 3 photos or images along with a 200 word editorial, Google map, testimonial page and email a friend facility.

Web Sites Made Easy (WSME)

The WSME package is a complete internet presence package paid for weekly rather than a large lump sum upfront. The package consists of a professionally designed 8 page website, 1 .co.uk domain, 5 email addresses plus web hosting and all the benefits of the Gold package. Ideal for small to medium sized businesses and new business start-ups.
